Subpart A—Tobacco Loan Program

SOURCE: 45 FR 9253, Feb. 12, 1980, unless otherwise noted.

§ 1464.1 Administration.

(a) This program will be administered by the Tobacco and Peanuts Division, FSA, under the general direction and supervision of the Executive Vice President, CCC. The program will be carried out by cooperative marketing associations (hereinafter referred to as "associations") acting on behalf of their producer members. To obtain a price support loan, an association must enter into a loan agreement with CCC.

The loan agreement will set forth terms and conditions for making price support available to producers. To the extent provided in the loan agreement, an association shall meet the eligibility requirements for price support prescribed in the Cooperative Marketing Associations Eligibility Requirements for Price Support (part 1425 of this chapter), as amended. CCC reserves the right to restrict the number of associations with which it will contract. In so doing, CCC will select such associations as it deems necessary or desirable to effectuate the purposes of the program with a maximum of efficiency and economy of operations. The names of such associations may be obtained from the Tobacco and Peanuts Division, FSA, U.S. Department of Agriculture, P.O. Box 2415, Washington, DC 20013.

(b) Each year CCC will make loans to associations. The associations in turn will make price support advances available to eligible producers either directly or through auction warehouses. The tobacco on which producers receive price support advances will serve as security for the loans. Loans made to associations will include not only the initial loan value of the tobacco, but also amounts to cover costs of receiving, processing, storing, and selling the loan tobacco, including that part of overhead costs not borne by the association pursuant to § 1464.4. Associations will be authorized to enter into contracts for these services through the usual trade channels. Loans also may include amounts to cover any Federal and State income taxes which the associations are required by the Internal Revenue Service or State governmental body to pay on income received from the sale of loan tobacco.
